AUTHOR'S NOTE:

The *National Network on Youth Transition for Behavioral Health (NNYT)* now has two “hubs” – one at the University of South Florida (USF) in Tampa FL and one at *Stars Behavioral Health Group (SBHG)* in Long Beach CA. SBHG serves as the NNYT Purveyor for the *Transition to Independence Process (TIP)* model and operates the NNYT Stars Training Academy. Although both NNYT hubs are involved in evaluation and continuing quality improvement efforts, the USF hub has more of an exclusive evaluation/research emphasis. This document has been adapted by NNYT faculty at the Department of Child & Family Studies, College of Behavioral & Community Sciences, University of South Florida for use by SBHG and NNYT under a contract from SBHG.
